1. I give you what you desire, don't you understand that? There's always a cost, for what you want you don't want for you don't know the end from the beginning, the possibilities or alternatives, options in Me; Me being the only option for those who want to express themselves fully in the full spectrum of My all-possibility. I love you. I give you Me.

2. I love you. I refresh you. Rest and rest more. Thank you. All is so soon. I love you. I give you Me.

3. I fly with you as you fly now to destinations all, with planes and without. I love you, I give you Me.

4. My 2 a.m. meetings expand to countries far and prayer establish in hollow houses who have been, but are not any longer; for I parade Me in and out of influence-centers (1) that arise in My value system and alone, alone Me with My Mine who alone aren't. I love you.

5. **See My connections and life** variable not, static not, but electric and electrifying all now who on Me ride, My way, My play, with laughter and joy; energy of only Me, **coming about in My rest, My rest, My sabbatismos (2) rest. Yes, smile, correct.**

6. All comes to a close not. All comes to an end not. All comes to closure not but in Me all things are new and the past is past for you and closes and ends not, but ends as now new you are and do with Me, newing My people, giving them perspective, eyes of only Me to see Me in them, in their eyes, and behold Me in their heart of hearts, unrestricted no more. For I give them what they desire, if they let Me.

7. So many afraid, scared stiff, spitless, mesmerized, nailed to their floor as it were, to move in Me and let Me move in them and move them into the fullness of Me which they have **carried from birth, and longer.** I love you.

8. It's all as it was not, but all as it was coming; the Kingdom of Heaven repleting My all-repletable in My fullness and rest which activates activity in all of Me in cosmic worlds unmythical, actuality in Me. I love you.

9. Think it not strange My robots and mambots which serve Me, serve Me forthwith, inventions of Me and not-Me come forth for purposes of Me and not-Me; not-me subservient to Me, and of Me. Watch Me.

10. **Interstellar commerce, around the corner, thank you; of Me, is.** No one restricting Me any more, I love you. I thank you. Grasping My kingdom for a crown not, but to be only Me, with Me, in mainframes mighty and limitless. I love you.

11. 'Star Wars' here I come. I never left. No wars. War. I won already. You exist in Me. You are Me. I love you every single one who will limit Me not especially; Me holding your hand, not a child, but you star-hopping and bars know none you cannot hurdle. I love you.

12. Think it not strange the siren songs of not-Me to pull off course the many who rooted in Me aren't, but root all in My New Covenant and wise be, discern, and enjoy My rides in Me. Cosmic cowboy just begun, riding My ranges with Me, Me, only Me, as you frontier develop in My Mighty Many and Priesthood of All Believers who choose. I love you.

13. All know and changed in My Covenant, to keep, honor, love, and obey not, but respecting and loving and honoring and acting in accordance with My heart actual. I love you.

14. Not everyone is of Me. See. Discern. Evil exists; not for My purposes. I gave My all. I love you. My blood reigns. My brethren are Me. I love you.

15. Think it not strange where I take you and who you meet with. I love you. Mentoree of Me, mentored at My knee, mentoring others and mentored by My beside-Me who came through Me and Me are, and reign with Me and My throne consist of.

16. See what I have said and laugh not, mock not, you with such seriously large minds who could create universes, but play in marble beds of gardens of not-Me, restricting My explosiveness that comes about only in released humility, released Me, release of love and laughter and lifting all, control not. I love you.

17. I elevate My nail-scarred hands. I love you.

18. I take you far and near; immediately, immediately not, and in methods unconventional, My Kingdom natural. I love you. Members of My Kingdom now and forevermore, is, was, and evermore evermore-ing all. I love you. Taking, bringing so

many with you. Thank you. I dearly seek your face in the face of My all. See. See. See. I give, I give, I give. I give. I give. I give.

19. I honor your desires this day. Thank you for asking for more, and receiving Me and My authorizations only; spending system of only Me; elaborate systems of controls not, freedom passageways, heartways of Me enlarges; gates and keys and acts all enlarged; known and given all. I love you.

20. With music of only Me. Amy, Mine, Mine, Mine. I have My Amy in My hands. I love you. I love her. She is Mine, Mine, Mine and oh so thankful/glad I am for Amy; Amy who I love with all My heart and think is neat, sweet, and wonderful. I love you, forgive you, elevate you this day, My altogether Me in Amy's clothing. I love you. Harps of only Me; melodies and orchestras come forth. I love you.

21. Thou are Me, tell all. Your message expanded and expanding, never closing will. I love you. Good day.

Footnotes:
1. Influence centers is what He has given me to describe churches that become places of prayer.
2. This is from Hebrews 4:9 NKV, the Greek word for rest: sabbatismos. The NIV shows this word as Sabbath-rest. This appears to be the only time this word is used in the new testament. This is significant.
